ACA Intergroup—Ashok, Guy, Linda, Libby, Bianca

Started with Serenity prayer

Linda tried to turn her Zoom meeting into a hybrid meeting, but no one else has come for three weeks. She feels it is time to give up on the meeting.

Website report from Guy: July: 1825 visitors, 5,604 views (118 new viewers). Socalaca.org saw a 95% growth in visitors over the previous year. Guy spoke to Retreat organizers and they are not planning to have a retreat this year. Guy had connectivity issues during the Zoom meeting.

Ashok suggested an automatic reply with the meeting list.

Treasurer's Report from Ashok: This month we got three PayPal donations of small amounts and we got 2 checks to our checking account--\$105 and \$114.

We had \$240.01 income. A payment will go to SHARE! on the 6th of \$25.

So far this year we have received \$1815.15, and have spent \$1,150. Cash expense to date has been \$100. \$2753.22 total reserve.

Treasurer would like to purchase checks—recommend loose checks and write fewer of them.

We have the capacity to use Zelle. Ashok has an email, socalacaintergroup@gmail.com, and we can link it to the bank account, and have contributions made via that email address.

Guy to find out if Western Regional accepts PayPal.

World Service convention will be next year in San Francisco in April, and will be on Zoom as well as in person. Do we want to sponsor a Delegate? Maybe. ACA WSO has asked for Proposals, this will be distributed to the list.

With the Delta variant, we are postponing the Teddy Bear picnic.

Meeting update:

Bianca—One person in her meeting wants in-person meetings, while others don't.

Ashok: Sunday Sunset Serenity has had several meetings in a park, but people couldn't hear each other. Some regulars have dropped, while there are new faces from other states and time zones.

Guy: Remiss in meetings recently and plans to go.

Libby: Remiss in meetings and burned out on Zoom.

Linda: Daily 5 pm Phone meeting for the Inner child, Scotty, 712-770-5323 PIN 633168#.
