Friday, 27 January, ACA will have six hours of Marathon meetings at the San Fernando AA Convention at the Warner Center Marriott from 6:00pm to midnight. We are going to need participation at all levels: info table over the weekend, readers, meeting leaders, and speakers. We're going to give out literature as well, and need people to sit at a info table over the weekend.

Please contact **James at (310) 663-3074 or james@jameschuck.com** to help carry the message!

Organizational meeting to be held Saturday in Thousand Oaks.

Libby wrote to information@acawso.com to find out if they still offer free Red Books to therapists. Has not heard back about this.

Discussion on how to attract more volunteers: Ashok, Libby and Guy are core members. Ashok to text Vincent and ask them to send an intergroup rep, using word of mouth. Libby to email Stephen to ask him to attend. Also remind people of the meeting.
