

Minutes of So Cal ACA Intergroup April 3, 2022

Ashok, Libby, Lotara, Stephen, Guy

Opened with Serenity Prayer

Treasury Ashok: We have a total reserve of \$3,254.41. We made a donation of \$1,000 to WSO on 2/6/22. Libby emailed Greater Western Region to find out how to make a donation and what happened to \$500 donation from last time.

Web site report from Guy: For the month of March 2022 we had (1,677) Visitors with (4,903) Views. More than viewers than last month, but 18% less viewers than same time last year.

Stephen—There was an ACA meeting in Berkeley which used an email to filter out Zoom bombers. I tried to go and couldn't get through.

Meetings Listing from Libby: Sent out updated meeting list to about 30 people.

Lotara—I just had my 4th ACA birthday, used to be at the AT Center. Have been online since March 20, 2020. We have people coming from all over to women's meeting, we affectionately call it the sleepover meeting because people feel safe there. Some concern about the need to rotate service roles. Voted against adding to WSO list. There's fear about Zoom bombing among POC in the meeting. We've trusted that the meeting has its own Higher Power. Members share it with other women they know, and we got rid of some service positions. Maybe some people have gotten tired of going to Zoom meetings.

Stephen, Libby and Guy—Haven't attended meetings lately because Zoom doesn't have the same sense of connection.

Ashok—Sunday Serenity is fairly strong. Transferred to a new secretary. Decided to stay as a virtual meeting to keep out-of-towners. Has had discussion of doing a hybrid meeting.
