**Lori reports:** Hybrid meeting Wednesday night 7:30pm Norwalk ACA Meeting @ Norwalk United Methodist Church, Room #8, 13000 San Antonio Dr. Norwalk, CA 90650

Noontime Saturday in Long Beach at MWA Club—might make it Zoom only.

**Western Region:** Seeking \$500 donation to start a bank account. Ashok noted that it would be good to start with a portion of the \$500, and encourage other Intergroups to also give. Intergroup wants to find out if they are certified and vote next month.

**ACA meeting list:** Should we remove the meetings listed on the website? Ashok stated we should start small and include the groups we can vouch for. Lori: If we keep the ones that are also on the ACA website? Meetings had to be confirmed. Thurs. morning meeting plans to meet in person again in the future. Maybe compare with WSO list and keep the ones that match. If we had more people in the intergroup, could we go out and test them?

Treasurer's Report: We have \$3,864.45 total. Voted to donate \$1000 to WSO ACA.

WSO: Quarterly meeting is Nov. 12, reach out to Stephen to see if he wants to represent us.

Note: Start with Serenity prayer next time.
